

We offer competitive salary, great benefits, and work that matters to our community.

The Organization: Seattle Housing Authority (SHA) is a growing, innovative and mission focused independent government Agency based in Lower Queen Anne, Seattle. We have a highly diverse, committed staff of more than 600 people who are dedicated to expanding housing opportunities, promoting quality communities, and improving quality of life for our citizens and neighbors.

We are best known for the great care we take of our clients, our dedication to creating a work environment where employees do their best work, and for our deep commitment to race and social justice equity.

The mission of SHA is to enhance the community by creating and sustaining decent, safe, and affordable living environments that foster stability and self-sufficiency for people with low incomes.

We are seeking to fill a **Business Intelligence and Reporting Developer** position. The Business Intelligence and Reporting Developer will be paid **\$43.86 – 65.80 per hour, D.O.E, Knowledge, Abilities.**
