

**Network Administrator - We offer competitive salary, great benefits, and work that matters to our community.**

**The Organization:** The mission of the Seattle Housing Authority (SHA) is to enhance the community by creating and sustaining decent, safe, and affordable living environments that foster stability and self-sufficiency for people with low incomes.

**The Position:** We are looking for someone to oversee a variety of network protocols, settings, configurations, and maintenance of software and hardware involved in the LAN/WAN operations of SHA.

**The Compensation:** The pay rate is \$40.81-61.21 per hour, dependent on experience

### **Minimum Requirements**

- **Proof of vaccination on first day of employment.** Please read our [vaccination policy](#).
- Bachelor's degree in Computer science or related field; four additional years of directly relevant experience may be considered in lieu of degree
- Five years of experience in Information Technology, including two years of experience in the repair and installation of personal computers, printers, and other related equipment

### **Essential Duties**

- Install, maintain, troubleshoot, and repair SHA telecommunication and network equipment, switches, UPS , wiring, and related voice and data communication systems
- Provide networking support for the agency's telecommunication systems
- Oversee and provide initial diagnostics of remote communications systems, including WAN data communication lines and related premise equipment, DID fax lines, and communications software
- Troubleshoot and resolve WAN/LAN performance, connectivity, and related network problems

**The Location:** Multiple sites, Seattle, WA

### **Why Should You Apply?**

- Competitive salary
- Great benefits
  - We offer medical, dental, vision insurance, and Public Employees' Retirement (PERS), if hired into an eligible position.
  - We also offer generous paid leave and holidays
- Reasonable hours
  - Possibility of part-time alternative work arrangement/telework for eligible positions
